

General Notes

The information depicted on the map represents the results of surveys made on the date indicated and can only be considered as indicating the general condition at that time. Unless otherwise noted on the map, all depths and soundings are in feet and are referred to the International Great Lakes Datum 1985 (IGLD 1985) and all north-point positions are referred to North American Datum 1983 (NAD83). See the State of Wisconsin Department of Transportation's website at <http://www.dot.wisconsin.gov/transportation/transportation.asp> for appropriate datums. To view a color version of this map, point a web browser to <http://www.inr.usace.army.mil/waterways/survey/survey.html>. This drawing was prepared using a CAD system. Scaling may be distorted.
